

## Ghost Sniffers, Inc. Season 1, Episode 3 Script: Grandmothers House (Volume 3)

Faith Forge is the nine-year-old owner of Ghost Sniffers, Inc., a paranormal investigation firm. Aided, abetted and consistently annoyed by a bevy of wacky assistants, Forge is hired by bizarre clients to determine whether hauntings are real or ridiculous. With a veteran grandmother, there's no doubt Forge will take the case when she's called to investigate more than ghosts at the sprawling Fort Worden. But even with her steampunk friend Gogo Gidgit and the robot B.O.O. assisting, did Forge bite off more than she can chew? Episode 3 offers up ample laughs while spotlighting the series' serious side for the first time. Find out more at: <http://ghostsniffers.blueforgeproductions.com>
