

Secrets of the Alchemist Dar

Michael Stadthers Secrets of the Alchemist Dar, the sequel to the New York Times best-selling A Treasures Trove, is a fantasy story about Dark and Good Fairies, spells and eclipses, and the authors signature characters: Zac, the handsome woodcarver; Ana, his beautiful half-elf/half-human wife; and their trusty doth, Pook. The story is also about the evil Alchemist Dar who wants his Dark Fairies to live forever; to do that he must steal the Good Fairies Ring of Eternal Life. Using the mysterious Book of Dark Spells, Dar kills the Good Fairies and captures the rings.
