

## Circles of Mercy

The circles of life are inter-connected and what goes around, comes around. But not everyone gets what they deserve... Mercy Horstman moves to a small mid-western town. Her specialty is nudging those circles, some shining, some dirty, some bloody, so everyone DOES get what they deserve. What begins with two neighbors and a dead cat quickly escalates and envelopes key citizens in intrigue, scandal and murder, culminating in a funeral no one cares to remember yet no one is able to forget.
