

## The Bitterwood Bible

Welcome back to the magic and pathos of Angela Slatters exquisitely imagined tales.

The Bitterwood Bible and Other Recountings returns to the world of Sourdough and Other Stories (Tartarus, 2010), introducing readers to the tales that came before. Stories where coffin-makers work hard to keep the dead beneath; where a plague maiden steals away the children of an ungrateful village; where poison girls are schooled in the art of assassination; where pirates disappear from the seas; where families and the ties that bind them can both ruin and resurrect and where books carry forth fairy tales, forbidden knowledge and dangerous secrets. The Bitterwood Bible and Other Recountings is enhanced by eighty-six pen-and-ink illustrations by artist Kathleen Jennings.
