

FilmCraft: Editing

The value of the editors craft to a finished film cannot be underestimated, and its no surprise that directors rely heavily on the same editor over and over again. Seventeen exclusive interviews with some of the worlds top film editors, including Walter Murch, Virginia Katz, Joel Cox, Tim Squyres and Richard Marks, explore the art of film editing; its complex processes, the relationship with other film practitioners, and the impact of modern editing techniques. The Filmcraft series is a ground-breaking study of the art of filmmaking the most collaborative and multidisciplinary of all the arts. Each volume covers a different aspect of moviemaking, offering in-depth interviews with a host of the most distinguished practitioners in the field. Forthcoming titles include Cinematography, Directing, Costume Design, Production Design, Producing, Screenwriting, and Acting.
