

Force of Habit (A Falcone & Driscoll Investigation)

Giulia Falcone is convinced she's going to Hell. First, because she left the convent. Second, her new job with a private investigator has her sneaking around and lying. Adjusting to life in the outside world isn't easy. Makeup, dating, and sex are all new to her. And despite a crush on her boss Frank Driscoll—a foul-mouthed, soft-hearted ex-cop—Giulia is sure she'll never fall for an ex-nun. Her first case involves drop-dead handsome Blake Parker, a man with immense wealth and an ego to match. He and his fiancée are getting disturbing gifts with messages based on biblical verses. When Giulia is drawn into the stalkers' twisted game, salacious photos of her appear, threatening her job and her friendship with Frank. No one imagines—least of all naive Giulia—the danger ahead, when following the clues turns into a fight for her life. Book one in the dangerously habit-forming Falcone & Driscoll Investigation series. Praise: A spirited debut...her fresh take on crime fighting is a delight. Publishers Weekly Loweecey will have a wonderful opportunity in future books in this series to further develop these characters...[fall] in love with what is sure to be a hit series.
