

# Legal and Political Hermeneutics, or Principles of Interpretation and Construction in Law and Politics: With Remarks on Precedents and Authorities (Classic Reprint)

Dear Sir, Your name placed at the head of so small a work, may appear, to many readers, not unlike a noble front of granite, which hides but a common brick building, and deceives the unobserving passer-by. But the very fact that I was bold enough to grace so insignificant a book with your name, must plead for me ;for it will show, at least, how anxious I was to express my deep respect for your labors, and my sincere thanks for your indulgence towards mine. May the additions I have made to the Hermeneutics not induce you to change the opinion which you were kindly disposed to take of the first edition. I am, Dear Sir, Your respectful servant, FRANCIS LIEBER.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
