

This book is a manual for drama ministers or those who have a desire to learn more about the Christian Drama Ministry. It is a guide to take your vision from the download in your head to the moving gospel dramatization on stage. I wrote this manual to help those who desire to go deeper in the study of Christian Drama Ministry as well as those who are seeking knowledge about how to begin, and maintain a Christ-filled successful ministry. I hope the Holy Spirit speaks to you as you study this manual. I pray that your inspiration is kindled with the fire from heaven, and that your productions are kissed by God and souls are won for the Kingdom. By selecting this book you are saying, HINENI! Which is translated to “Here I am,” Lord, I am ready to go deeper in you.
