

Enter the mind of a Schizophrenic... If you dare Hope is the chilling tale of a young womans struggle with schizophrenia. The haunting descriptions of her psychotic episodes told in first person will captivate and send chills up the readers spine. Lainey's story begins as a normal teenage girl with a promising future ahead of her. As her hallucinations become more horrific, and the hair-raising voices heard in her head begin to escalate, her life begins to shatter before her eyes. She spends most of her young-adult life trapped inside the walls of a mental institution. Upon her release she is hopeful that the worst is behind her, but for Lainey it has only just begun.
