

Creating Happiness Mantras

Many people believe that living mind, the intellect - it is right, and the needs of the soul are secondary and not worth the attention. An ordinary man is a soul in prison, and all the mind directs. He does not believe in miracles, and therefore the people of the mind they never happens. Ayurveda method of work with the soul, presented in the book - a wonderful key to this dungeon. The soul always knows the truth, the answer to any question, our future and the correct course of action that leads to happiness, health, wealth, love and success. Vladimir Lermontov invites us to plunge into a new world, a new reality where the laws of our desires, dreams come true, and we are the creators of your own fortune.
