

Jack and the Solemn Promise: A cautionary tale

Once upon a time, not so very long ago (although it may seem ages ago to young people who have grown up with mobile telephones, pizza delivery services, music downloads, and social networking web sites), there was an inhuman war. Of course, all wars are inhuman, but this one was really horrible, worse than anything anyone could remember. *** Egbert Myjers and Peter Kempees fairy tale was originally written as a contribution to a liber amicorum for fellow judge Renate Jaeger. Myjer decided to address the backlog problem of the European Court of Human Rights from an unaccustomed perspective - he chose to write a thinly-disguised allegorical story based on fact. Kempees reworked the text, which was originally written in Dutch. Together, they worked on what is presented here in this book and will, from now on, be known as Jack and the Solemn Promise: A Cautionary Tale. [Er was eens een Nederlandse rechter in Straatsburg die in deze feestmaand aan u een modern sprookje wil voorstellen. Het verhaal is oorspronkelijk geschreven als bijdrage voor een liber amicorum voor rechter Renate Jaeger van het Europese Hof voor de Rechten van de Mens. Egbert Myjer en Peter Kempees geven met dit sprookje een kijkje in de Straatsburgse keuken en laten u op een verrassende wijze kennis maken met de hoofdrolspelers in dit Straatsburgse sprookje. Zoals we van Egbert Myjer gewend zijn passeren enkele markante sprookjesfiguren de revue. Loopt dit boek ook af als een sprookje en leefden ze nog lang en gelukkig?]
