

Lets Put on a Show!: Theatre Production for Novices

(Applause Books). Here is a one-stop, reader friendly handbook for anyone producing a play or musical. Renowned Broadway producer and three-time Tony Award-winner Stewart Lane guides you through the entire process from idea to ovation, with ways to keep everyone involved working together and solutions to those little and not so little problems that occur in every show. Fundamentals covered include selecting a show, finding a theatre space, putting together your creative team, holding auditions and making casting decisions, scheduling rehearsals, promoting the show, and handling all the basic elements of bringing a production from page to stage.
