

# The Death We Share: Patricia Delaney eGumshoe Mystery Series, Book 3

When a sleazy TV program threatens to tell all about retired opera superstar Carlotta Moses - and the child she allegedly abandoned years ago - the singers protective family engages investigator Patricia Delaney to find out who originated this whopper and buy them off. But is this tabloid tale possibly true? As Patricia plunges into a violent, heart-wrenching search for the facts, she faces an even uglier possibility. For within the mystery of Carlotta Moses dark past lurks a chilling, infinitely more deadly secret. When Patricia Delaney debuted in 1994, she was a cutting-edge, first-of-her-kind eGumshoe. Now, the reprinted editions (from Cornerstone Communications), with updates to reflect their times, of the Patricia Delaney eGumshoe mysteries still resonate with timeless humanity and passion, while providing a look back at the 1990s, when technology began to change forever how private investigators worked.
