

Philip Bennions Death (Adventure Library)

Old Mr. Otway stays up late one night, conversing with his dear friend and neighbour, Philip Bennion, on De Quinceys notion of Murder Considered as One of the Fine Arts. What is his shock, then, when he awakens to find his friend mysteriously dead! The coroners inquest ruled Bennion died of natural causes, but Otway is not so sure. If it was murder, the list of suspects is a mile long. Theres Raymond Clinton, Bennions dissolute nephew, who stands to inherit his estate. Then there are Nina Macrae, Bennions ward, and her fiance Ralph Hardwicke, whose marriage Bennion opposes. And finally, there is Otway himself. A known somnambulist, could he have killed Otway in his sleep? A classic murder mystery with twists and turns to keep readers guessing, Philip Bennions Death (1897) is one of Richard Marshs most enjoyable (and rarest) novels. Originally published the same year as his masterpiece The Beetle, Philip Bennions Death ranks among the prolific Marshs most thrilling stories.
