

## Short Story Criticism: Excerpts from Criticism of the Works of Short Fiction Writers

This series presents critical views on the most widely studied writers of short fiction. Each volume includes overviews of four to eight short story writers and an historical survey of the critical response to their work. Approximately 90-95% of critical essays are full text. Each volume includes a cumulative author and nationality index as well as a volume-specific title index. A cumulative title index to the entire series is available separately.
