

## Super Party Games: Fun & Original Ideas for 10 or More

How do you keep a crowd entertained at a party, picnic, family reunion, club or scout meeting, or any gathering? Liven up the festivities with games that get everyone up and talking to each other, and keep groups of 10 or more laughing. Ready, set, go! Compose a sentence (or two or three) by scrambling the letters of team members names. Detect an error in a story as someone reads it aloud. Remove a letter from a word and turn the remaining letters into anagrams. Or try ones that call for bluffing or involve recalling facts. These games go hand in hand with good times!
