

SideTrack: The Maze of Horror

Step right up, walk right in, and get ready for the fright of a lifetime, as seven teenagers out for a Halloween Night of fun and revenge, get caught up in a web of terror that leaves them trapped in a haunted house of horror. Its up to one small girl to put up the fight of her life against an unknown evil to save herself, and the life of some that were out to cause her harm. Packed full of intrigue, terror, and plot twist, Side Track is surely one maze that you can go in, but you might never come out again. Perfection is the name of this game, and horror is hiding in every corner of this maze. Surely one of the best novels written by Lecy McKenzie so get ready for the scare.
