

The Purples

Shunned by his community...locked up for trying to help an innocent girl...ambushed by rivals and left for dead in the Detroit River, Joe Bernstein has a few scores to settle, and a bold plan to seize control of the Motor City in its booming 1920s heyday. With his faithful agent, Abie; his brilliant but fragile brother, Max; and an out-of-control enforcer named Grabowski (not to mention a couple of carnivorous creatures known as the babies), Bernstein gives rise to the infamous Purple Gang - so named by local merchants because the gangs members were said to be tainted, like spoiled meat. Bernsteins boys set their sights on taking over the Detroit River, the pipeline connecting dry America to wet Canada. But Joe also must contend with having a sweetheart in the nut house and rising tensions within his gang. Worst of all, the D.A.s office has brought in an amputee war hero named Riley - who seems to be one step ahead of Joes big plans.... A fast-paced thriller that builds to the climactic Collingwood Massacre (a seminal event that changed Detroit forever), The Purples blends richly detailed historical fiction with nonstop action, all narrated in the wry voice of the smart, self-deluding, and unforgettable Joe Bernstein.
