

Vampires Dont Sparkle!

What would you do if you had unlimited power and eternal life? Would you...go back to high school? Attend the same classes year after year, going through the pomp and circumstance of one graduation after another, until you found the perfect date to take to prom? Would you...spend your days moping and brooding, finding your only joy in a game of baseball on a stormy day? Or would you...do something else? Anything else? The authors of this collection have a few ideas; some fanciful, some humorous, and some as dark as an endless night. Join us, and discover what it truly means to be vampyre. Edited by Michael West. Foreword by Michael West. A New Life by J. F. Gonzalez. What Once was Flesh by Tim Waggoner. The Darkton Circus Mystery by Elizabeth Massie. Robot Vampire by R. J. Sullivan.
