

How To Use Abstract Art, Art Therapy, and Creativity as Alternative Treatments for Those Living with Cancer

Please DO NOT download this book unless you have a color kindle or intend to use an app on your iPad or computer with color. There are pictures in this book and they would not be done any justice if they were seen in black and white. This is a book about using art to help you get through cancer, and all kinds of and there are examples of many kinds. I hope you enjoy it.
