

# Common Sense Poker: Now that you know the rules, learn to play the game

One of the greatest feelings you can get is the one from winning a poker tournament. It begins with the nervousness of entering, transforms into excitement and anticipation as your opponents fall by the wayside one by one, and peaks when that final card is turned declaring you the winner. But don't take my word for it. With some practice and a little luck, you can experience it for yourself.
